2a. Colloquium Substitutions

Students may substitute three courses for the two semesters of Colloquium. At least one of these three must cover literature before 1660 (i.e., Medieval or Renaissance); one other must cover literature of the 17th or 18th century (i.e., The Age of Enlightenment); the last can cover either literature before 1660 or literature of the 17th or 18th century.

Students may also take one Colloquium and two substitutions, as long as one of the substitutions covers literature of the same period as the Colloquium it replaces. The other substitution may cover either literature of that same time period or literature of the time period of the other Colloquium.

In either case, one of the courses used as a substitution for either Colloquium will also count towards satisfying the "before 1900" requirement (#3 below).

I am substituting for ENGL BC3159 (Renaissance)

One course must be on Medieval or Renaissance literature. Only one substitution may be a Shakespeare course.
